Once a loan has been selected in this way, if you click on other tabs, such as Payment History, Submit Payment, View Statement, or ACH Setup, you will be viewing the corresponding data for the selected loan. If you click on one of these tabs without selecting a specific loan, you will be viewing the corresponding data for the first loan on the list.

## Payment History

Clicking on the Payment History tab after selecting a specific loan on the Balances tab will bring up the payment history for the selected loan. If you have more than one loan, a drop down list will allow selection from the list of available loans.
